To Redistricting and Elections Committee Members:

I am sending you this notice to lodge my formal objection to the passage of any legislative committee move which advances the National Popular Vote Compact in Michigan. Pa any portion of such initiative is counter to the US Constitution (the supreme law of the land) and undermines the electoral college as established by the Founding Fathers of our country.

I request that the Clerk of this body please enter my contact information including e-mail address into the record as a Bay County resident who opposes such legislative action.

Sincerely,

Robert A. Rankey I
